Subject: Notice of File Closure for Small Mining Project, Cedarstrom Pit, S/049/051,
Utah County, Utah

Dear Mr. Bown:

This letter is to notify you that the Division file, S/049/051, for the Cedarstrom Pit small mining project, located in the SW1/4 of Section 1, T7S, R1W, Utah County, Utah, will now be closed.

As per a phone conversation on July 5, 2005, between you and Lynn Kunzler of the Division, you indicated that the requested \$3,000 surety for this project was unacceptable to you and that you would not pursue this project.

Should you decide at a future date to conduct any mining or exploration related activity in this area, you will need to submit a new notice to the appropriate agency(s), pay the Division permit fee, submit adequate surety, and receive written approval(s), prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Lynn Kunzler at 538-5310.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
